

Our Standards

Modebest Builders Ltd have agreed that environmental matters are to be recognised as a Management responsibility, which shall be equal to that given to health and safety considerations. They recognise their responsibilities towards protecting and preserving the environment and will encourage all persons associated with their business activities to adopt a similar approach.

The Company will comply with all appropriate legal requirements. In the absence of legislation, it will undertake activities in a manner consistent with industrial practices to meet the highest standards through implementation of this Policy and the procedures contained herein. In particular, the Company will endeavour to:

- Pay close attention to the handling storage and transportation of substances or materials that may be hazardous to the environment.
- Pay particular attention to hazardous or harmful emissions such as fumes, noise and dust whilst carrying out our undertakings.
- Reduce, reuse or arrange for the careful disposal of wastes that may be produced during operations carried out by the Company.
- Conserve energy through minimising consumption and maximising efficiency.
- Continually develop an environmentally aware approach within the Company in order to play an important part in reducing the harm caused within the construction industry.
- Promote a sense of responsibility towards the environment by management, staff and contractors whilst carrying out their daily duties on behalf of the Company.
- Work alongside Clients and other contractors in fulfilling their legal obligations towards the environment.
- Seek to establish a solid relationship and co-operate fully with the relevant Statutory Undertakers i.e. Environment Agency and Local Authorities.

It is our duty as Directors and that of the Managers and Supervisors to implement the requirements of this policy document.

Every employee is required to take all reasonably practicable steps to ensure compliance with the procedures laid out in this document.

As Managing Directors, we take joint responsibility for ensuring that this Policy and the procedures contained within are implemented and adequately resourced.

We have delegated the responsibility for ensuring this policy is reviewed, at least on an annual basis, to the Health and Safety Manager.

Subsequent amendments will be notified to all relevant employees by means of bulletins and toolbox talks.
