

## **Ensure the Safety of Those Under Its Control and Others Who May Be Affected by Its Operations in The Workplace.**

So far as is reasonably practicable in compliance with the Health Et Safety at Work Act 1974, applicable legal and other requirements, including BS OHSAS 18001 :2015, provide the organization and arrangements for safe methods of work, safe conditions and a healthy environment for all persons under its control.

So far as is reasonably practicable, ensure that any work undertaken by any person under its control does not adversely affect the health and safety of anyone else e.g. other contractors, visitors, clients or members of the public.

## **Provide Safety Consultation/ Training/Information/Equipment**

Modebest Builders Limited shall facilitate consultation, information and training with persons under its control on matters affecting health, safety and welfare and their responsibilities, utilizing the safety management system and other appropriate media. Any recommendations will be given consideration by the MBL Management during periodic review of the Health and Safety Policy, organization and arrangements. Modebest Builders Limited shall provide safe plant, equipment and systems of work, including safe handling, storage, maintenance procedures and transportation of all articles and substances used at work.

## **Obtain Specialist Advice**

Modebest Builders Limited shall obtain expert advice on all matters connected to its activities with regard to health, safety and welfare to determine the risks likely to affect and the precautions required to guard against such risks, to all persons who may be affected by our undertakings.

## **Issue Safety Policy**

Modebest Builders Limited shall inform all persons under its control of this policy to ensure that they fully understand the statutory regulations appropriate to their role.

## **Advise Individuals of Their Legal Duty and Promote Personal Safety Commitment**

Modebest Builders Limited shall advise all persons under its control of their legal duty to take reasonable care for the health and safety of themselves and of any other persons (e.g. other contractors, visitors, clients or members of the public) who may be affected by their acts or omissions at work; and to co-operate with the Group enabling the Group to perform or comply with any duty or requirement imposed upon it, or under any relevant statutory provisions or other requirements.

## **Appoint Accountable Persons**

Modebest Builders Limited shall appoint a Managing Supervisor on site or at a place of work who will be responsible for achieving the required standards and to ensure that all incidents are reported.

# Health & Safety Policy Statement

Each incident shall be considered individually as to whether an investigation is required, and to what level and preventative action taken against repetition.

## Achieve Continual Improvement

Modebest Builders Limited is committed to:

- Preventing injury and ill health.
- Maintaining a framework for setting and reviewing health and safety objectives.
- Maintaining a continual improvement in our health and safety management and performance.

Modebest Builders limited shall ensure the competency of its safety and HSEQT team to provide expert advice on matters affecting the health, safety and welfare of all persons under its control.

Modebest Builders Limited shall manage health and safety with the same degree of expertise and to the same standards as other core business activities.
